Dear Charles,

Earlier this year the Treasurer, the Hon Joe Hockey MP, invited the **House of Representatives Standing Committee on Economics** to conduct an **inquiry into Australia's foreign investment framework** as it applies to **residential real estate**.

As Chairman of the Committee I am pleased to inform you that I tabled the report in Parliament today. The Committee has conducted a thorough investigation, seeking submissions from the public, in order to provide a holistic approach to examining whether the current policy settings are delivering the best outcomes for Australia.

To access a complete version of the report please click [here](#).

A copy of my [Chairman's Foreword](#) and my [media release](#) are also available for your information.

Thank you for your strong interest in the inquiry.

Yours sincerely,

Kelly
